

Volunteer Role Description For Hoarder Support Volunteer

Our Hoarder Support Volunteers work with our expert staff and visit clients in their homes. We can provide reading material on hoarding as well as ongoing learning and development. Volunteers are very valuable members of our team.

Essential for this role:

- Be physically fit. Helping hoarders can involve a lot of lifting, carrying and picking things up from floor level.
- Be methodical and organised, although training is given and you are supported throughout.
- Practically minded.
- Be caring and are able to think about things before you speak.
- Friendly and cheerful.
- Local knowledge of ways to and what to recycle.
- Patience.

Also useful but not essential:

- Experience of caring either at home with own family and friends or in the workplace, e.g. such as CPN, Nurse, etc.

What will you do?

- Normally travelling with Jo or Amanda you will visit our clients in their homes.
- Client sessions can be anything from 2-4 hours.
- Understand our organisation's ethics and values and represent our reputation within clients homes.
- Be prepared to enjoy a role where no 2 days are the same.
- Ask questions, if at all unsure, you will always have someone on hand to ask if in doubt.

Time

This is flexible as we are looking for help ranging from a regular morning or afternoon to a full day or days per week.

Please call either Jo or Amanda for further information.
